@LiaS814 @chip\_macro @RespectTheWamen @CarpeDonktum @OfficeOfMike I didn't report anyone for the word coward. Ever. I reported you for what I said I would. When you accused me of stealing this account. That was slander and twitter agreed and tweet was removed. Nothing further for us to discuss. You are a pawn for White Supremacist leaders.

It's telling who came to defend Doug. Like a typical gaslighter, blames Qanon
